### Notes

1. The Scout Group cannot accept responsibility for loss or damage to any personal effects and the Scout Association does not provide automatic insurance for such items.
2. If your child requires medication while on camp please hand it in to a leader in a named container giving full details of medication required and a letter signed by the parent giving permission for one of the Leaders to administer this medication.
3. **All equipment and clothing must be clearly marked with the owner's name;** engraving or permanent ink are far better than nail varnish or stuck on labels.
4. Please do not include any electronic games, phones, radios or mp3 players.
5. As we may have children with food allergies, please do not pack any sweets or chocolates.
6. Due to the nature of camps and activities, it is advisable to wear old clothing and footwear as there is a good chance they will get very wet, dirty and/or damaged.
