

Shall we play a game?

As Christmas approaches we have a free competition for you to play along with and help us to make some money for Cheddington Scouts. The best part is it won't cost you anything but you could win.

All you need to do is log on to our [Easy Fundraising](#) page before ordering your Christmas presents online and the companies you purchase from will make a donation to help us.

We're going to zero the counters on the 1st October and the person who has raised the most on the 24th December wins. What's more, the bigger the money we've raised the better the prize.

If you've already got an EasyFundraising account you need read no further. Simply have a go and good-luck.

How to set up your Easy Fundraising account...

Go to www.easyfundraising.org.uk and register by clicking the yellow button at the top of the page.

In the "Support your cause" search box type "1st Cheddington Scout Group". You need the 1st to find us. Then click on the "Yes! Sign me up..." button. Fill in a few details and you're ready to play. If you don't want EasyFundraising to send you voucher codes by e-mail remember to untick the bottom tick box.

You will have the chance to send the details to others. This gains you points and they are all welcome to join the competition.

How to raise us funds...

Before you buy anything on line, open up the Easy Fundraising page (and log in if you've not left it ready to go). At the top of the page you can *Search for any retailer or product*. Type in where you want to shop there, or what you want to buy, and choose your store from the drop down list. Almost everywhere is on there including supermarkets, hotels and many more online shops, even Weight Watchers offers a donation, should you want to make your new years resolution early.

Click through to their site with the *Go Shopping* button or through an offer and they will give us a donation.

To increase your chances of winning have a look at the amount the company will donate. Some insurance companies will give £30 or more if you take out a policy others will give 2-3% of your spend. You increase your chances of winning by choosing the companies that donate the most.

You can also increase your chances by looking at the [Raise funds for Free](#) page (it's off the deals button). There you can get things to try and the companies will give us donations. It all counts towards your total in the competition.

Finally, remember you can use it if you purchase things for work too. There are stationary companies and hotel chains on there so feel free to get everyone at work to help you to win.

Good luck.
