Cub Camp Kit List (Suggested)

Your Son/Daughter will need to bring his/her own personal equipment (the following list is a guide) and they should be encouraged to find out from handbooks what is necessary and pack their own kit.

Notes

1. The Scout Group cannot accept responsibility for loss or damage to any personal effects and the Scout Association does not provide automatic insurance for such items.
2. If your child requires medication while on camp please hand it in to a leader in a named container giving full details of medication required and a letter signed by the parent giving permission for one of the Leaders to administer this medication.
3. **All equipment and clothing must be clearly marked with the owner's name**; engraving or permanent ink are far better than nail varnish or stuck on labels.
4. A certain amount of pocket money is recommended. Money may be handed to camp-leader for safety and will be given out as required. The Scout Group is otherwise not responsible for losses.
5. Please do not include any electronic games, phones, radios or mp3 players.
6. As we may have children with food allergies, please do not pack any sweets or chocolates.
7. Knives, aerosols, matches, lighters and any other flammable liquid or gas must never be brought to camps; these are dangerous and not necessary.
8. Kit should be packed in a holdall or rucksack. It is important that there are no loose items. Line the kit bag with a plastic bag.
9. Due to the nature of camps and activities, it is advisable to wear old clothing and footwear as there is a good chance they will get very wet, dirty and/or damaged.
10. Earrings and other decorative jewellery are not recommended on camps and activities.
